~CONCERNS~

**FL** from Darlene Robbins

Saturday March 7, 2020, Maryann Todd flipped her trike.

Maryann was sedated for 9 Days, and on a ventilator, with hip surgery, wrist surgery and ankle surgery all done within the first five days. Maryann also had a collapsed lung.

Maryann's son Todd, has been by her side, Camille has been in and out of the hospital and being my eyes and ears and Janet Pratt has been taking care of Maryann's two fur babies.

March 15th, Maryann's sedation was lessened and the vent was removed and quickly was responding to commands. Yep...wiggling her toes.

March 19th Maryann was out of ICU.... and ready to push herself to heal!

Maryann, still has a long haul to heal but by the sounds of it she is ready to start.

"Get Well Wishes" and "Encouragement Cards" maybe sent to:

1362 Cedarwood Way, Palm Harbor, FL 34683

**IL** from Denise Underwood/Pat Crosby/Kathy Anderson:

Illinois Golden Life Member *Ina Mae Fosse* has had some health challenges over the past few months. She could really use some cheering up. Please send cards to her at the address below:

Mrs. Ina Mae Fosse, Liberty Village Nursing, 3116 Williamson County Parkway, Hawthorne Rm 500, Marion, IL 62959

**TN** from Shonna Harrison

*Jennifer Sylar's* sister, who had been diagnosed with stage 4 lung cancer, passed away March 27th. Condolences can be sent to Jennifer at 3742 Cuscowilla Trl., Chattanooga, TN 37415.

*Connie Thomas* - It is with deepest sadness that I inform you of the passing of one of our Tennessee sisters, Connie Thomas. Connie was in a car accident at the end of February and was home mending, doing well, going to PT for her broken leg, when an unknown complication only recently presented. After a week of interventions in ICU, she died on March 28th due to that complication. Connie was a devoted Motor Maid and was also a member of Women in the Wind and Ladies of Harley. She had an exuberant and outgoing personality and enjoyed attending many events in other districts as well as in Tennessee. She was looking forward to attending convention this summer and had been planning her trip. Her sweet husband, Roy, attended many events with her and had just retired February 1st - they looked forward to travelling more together. Connie was 61, she and Roy had been married for 29 years. A memorial will be planned at a later date. I will pass details along, as they are available. Condolences can be sent to Roy Thomas at 6930 Four Mile Rd., Maryville, TN 37803

## *Biweekly Social News*

**TX** from Glenda Mize

*Barbara Simpson* could really use your thoughts and prayers right now. She went into the hospital expecting an ulcer, but was diagnosed with pancreatic cancer. She's at UTMB right now, without her family due to the new hospital rules around coronavirus. She is waiting for the surgical team to inform her of next steps. Cards may be sent to her home at 4116 Hill St, Dickinson TX 77539. Her email is [bsimpson1954@outlook.com](mailto:bsimpson1954@outlook.com)

Please keep

Respectfully,

Marianne McBride, Recording Secretary
