~CONCERNS~

AL from Genevieve Cooke

From *Deb Bailey* -Co-Vid19 claimed another victim this morning [5/19] around 8:30. My dad went to be with my mom. My dad married us when I was 3 years old. He was my dad and he stepped up where my biological father never could. We never used the word "step" in our house to refer to our relationship. He would tell me that he chose my mom and me - a package. He loved me and worried about me all the time. He loved the fact that I ride motorcycles - he did also in his youth- and he loved you Motor Maids. Korean War Vet/ Ironworker - RIP dad. Dudley Gullede (Bill) 1934-2020. Condolences can be sent to Deb Bailey and family at: 302 13th Place, Pleasant Grove, AL 35127

MA-RI-CT from Kellie DeCapua

~GLAD NEWS~

FL from Monie White

Mona White is happy to announce her engagement to Craig Goodie! Craig took her to a special overlook in Great Smoky National Park where he popped the question with a beautiful ring (yes, he went to Kay's!). After a special dinner, he took her to the Lumberjack Show in Pigeon Forge which she had been anxious to see and which she highly recommends!!

~THANK YOU~

FL from Skeets Roche

"I would like to thank all the Motor Maid friends who sent me cards and notes after the passing of my brother recently. Words cannot express how much your prayers and thoughts mean at such a time of loss as I have experienced. I feel privileged to have so many kind friends. It truly shows what the Motor Maids are all about.

FL from Mary Youngblood

To my Motor Maid friends:

I just want say thank you for all the thoughtful cards, comforting words, and beautiful plants received after the death of my Mother, Zelma Dearing. I can't tell you how much it means to have so many people who care, and the fact that they were from all across the USA is a real tribute to just how Motor Maids really support each other. Mom loved the Motor Maids, and would tell all of us to Ride-Laugh-Love!

Thank you again,

SC from Krissa Drentlaw
