Deb Wilder's mom fell and broke her pelvis. She was recently moved to a rehab and will be there for about 21 days or more. Deb is asking for cards to be sent to her as she needs something to keep her spirits up.

Deb is wandering between her Mom and her Hubby- as he was supposed to have his rotator cuff repaired and they could not do it, so he has to heal prior to having a replacement. So, she is like a ping pong ball going back and forth!

The address to send cards for her Mom is as follows:

Mrs. Rilla Jane Bishop, c/o Trussville Health and Rehab,
Room 512, 119 Watterson Parkway, Trussville, AL 35173

~THANK YOU~

AL from Genevieve Cook

What a wonderful group of ladies we have in Motor Maids! A great big THANK YOU to all who sent get well cards to me and Dean. Surgically I am recovered from the thyroidectomy, that is all except my voice, and now begin the odyssey to find the right balance of Synthroid. Dean is doing better with an improved heart function and less valve leakage. Your prayers truly work and are still coveted. Thank you! - g
