**AC** from Lise LeBlanc

In these trying times of Covid-19, we have had to deal with many changes in our lives. It is difficult for many of us either financially, emotionally, physically, socially, psychologically etc.

On top of all that there are those who are dealing with severe weather, loss of friends and family members as well as tragic situations.

We send you prayers, positive thoughts.

A big shout out to our west side MM assistant district director *Jodi Norberg* and her partner Jym Cook, in spite of the crazy pandemic, they just sold the old house and moved to a new to them house. She sent pics to our district members, we are all excited about seeing a huge yard, which means plenty of parking and possible overnight tenting. The big bonus is a large hot tub. We may try the "how many Motor Maids can we fit in the Norberg, Cook hot tub" trick!! Congratulations and we can't wait to see it and test the waters!!

**TX** from Glenda Mize

*Shelley Abernathy* writes about moving to Ranger, TX...Both happy and sad-I just signed the papers agreeing to a sale offer on my house. Now for the inspection & appraisal to be done. The buyer wants to close on May 14, well within the extension time I got on the Ranger house. I'm excited, but also sad to sign away the first house I ever bought as a single person. Lots of memories! Congrats may be sent to: 2114 Mimosa Trail, Round Rock, TX 78664.

Respectfully,
