A scenic view of the Petitcodiac River in Moncton, NB. The river flows through a landscape with a large, flat, rocky island in the middle. In the foreground, the handlebars and mirrors of a red motorcycle are visible. A large tree trunk is on the left side of the frame. The background shows a grassy field and a line of trees under a cloudy sky.

**Not just rooms,
they share food
as well.**

Sharing the loaves and fishes (or egg sandwiches). So kind!

Many of them are outdoorsy and can withstand the elements.

They are a patient lot.
